Then, sh, ch, th/th, then s/z f/v after talking about consonant pairs, then vowel exceptions

Make sure to cover all in Phonics lessons, syllables lessons, all sight words taught and explained.

[After all sounds, blends, first in syllables, then words, do all sounds in order for review, adding in blends, for each:

1. beginning (star)
2. ending (darn)
3. both (start)

Then, people can skip any part of blends they have trouble with if need be until students are older/get speech therapy/do LiPS.]
